# **BEER TASTING 19.5 PP**

With our own beer magazine we are going to educate you on the basics of beer. Learn all the ins and outs about the qualifications of beer, how to tap the perfect beer, what is beer made of, how is it brewed and how you can distinguish different types of beer. We will offer you 6 different types of beer from the Netherlands, Belgium and England. While you taste the beers you can make notes in your own magazine. The 6 beers are presented in a special holder with 12 beautiful tasting glasses and as mentioned two magazines. The beer tasting is recommended per 2 persons and this way you can educate yourself and your table companion in a fun way!

Optional at an additional cost of €200 we can invite our certified beer sommelier, Charlotte Wagenaar. She can enlighten the information in the magazine and will guide you through your tasting notes.

# WHISKY & RUM TASTING 27.5 PP

Apart from our beer magazine we also have a special rum and whisky magazine. This magazine will let you dive deep into the world of liquor. The magazine will teach you about the origin, distillation process and different types of liquor. Also with this tasting you will get 6 different types of rum or whisky and you can make your own notes in the tasting process. The tasting will be presented in 6 test tubes in a special holder and as mentioned before, your own tasting magazine. This way you and your table companions can educate yourself and each other in a fun way!

Optional at an additional cost of €200 we can invite our certified liquorist Martijn Meindersma. He will guide you through all the information in the magazine and will have an answer for all your questions.
